

Child Death Notifications

All Child Deaths (up to 18yrs) need to be notified to the LLR Child Death Review Partners within 24 hours/next working day.

This enables the CDOP Office to:

- Make the necessary notifications to other services,
- Coordinate the Child Death Initial Meeting
- Review support for the family
- Submit the case to the National Child Mortality Database within the required 48 hours

Notifications are made via eCDOP: www.ecdop.co.uk/LLR/Live/Login

- Please include as much information as you have available at the time.
- No log-in details are required – click ‘Submit Notification Form (A)’
