Bespoke Safeguarding Training

The Safeguarding Development Officers can design and deliver bespoke safeguarding training which is current and relevant to the audience. Examples of bespoke training recently delivered include:

- DSL training for staff in FE
- Schools Psychology Service
- Peripatetic music teachers
- Children in Care teaching staff
- PGCE primary & secondary students

Contact Ann Prideaux 0116 305 7317 or Simon Genders 0116 305 7750 to discuss requirements and fee.

“Lots of useful stuff and the biggest action plan I've ever taken away!”

“Excellent training, lots of new information that is essential for my role. Engaged all day and content and delivery was top quality.”

Whole School Awareness Training

All staff in schools must access a Safeguarding Awareness Raising training session at least once every three years. This course is for all staff and is held within the school or college setting (can be delivered remotely during COVID-19 restrictions). It is usually a two-hour session and may be held on a teacher day or after school or a series of sessions can be arranged to flexibly meet the needs of all staff.

Our team of very experienced trainers can be booked to deliver this at a sessional charge of £200.

Experienced DSLs will have this resource available through their own training to enable them to deliver this course in-house.

Allegation Management

This half day course is mainly for head teachers, chairs of governors and senior staff with related responsibilities.

This course will give participants an understanding of their roles and responsibilities with regard to the handling of allegations about staff conduct, the role of the Local Authority Allegations Manager and safer working practices. The Allegations Manager / LADO, together with a representative from HR normally attend to comment and advise on current practice. Chairs of governors are very welcome as they will have to follow this process should their head teacher be the subject of an allegation.

All sessions are from 9.30am – 12.30pm at Beaumanor Hall

Training for Designated Safeguarding Leads

These courses are specifically for staff in schools and colleges who are Designated Safeguarding Leads or Deputy DSLs. All schools should have at least two people with current training as DSLs. This should be refreshed every two years. Part of the role of the DSL is to ensure that all school staff access appropriate, updated safeguarding training. Resources to deliver this will be presented and given to the course attendees. Training is a whole day 9.30am – 4.00pm.

“Always something new to learn and adopt.”

Email: safeguarding.education@leics.gov.uk

Telephone: 0116 305 6314

“Always amazed how much new material there is and how many changes there are in two years.”

“I now feel confident to be a DSL – thank you.”

“Simon and Ann were excellent as always.”

“A fantastic course as always. Informative, practical advice that is live and on the spot, not just pre-planned.”
